

Membership report for AGM 2010

This has been my first year as membership secretary for Shine and has already included the development of the new Shine website and membership database.

Figures for current Shine membership are as follows:

| | |
|------------------------|----|
| Life members: | 7 |
| Personal Members: | 11 |
| Associate Members: | 1 |
| Institutional Members: | 88 |

Total membership (including individual members through institutional memberships):
237 (approx.)

The last year has seen several libraries leave Shine, but we have also welcomed new members including: Down's Syndrome Scotland, ENABLE, PAMIS, Capability Scotland and Scottish Consortium for Learning Disability. Life memberships were awarded to Julian Hodgson and Michael Wells for their contributions to Shine. There are currently 170 members subscribed to LIS-SHINE.

During the coming year I hope to roll out access to the members' areas of the Shine website so members can take full advantage of the tools available to them.
